IAC-D-57/99

21 May 1958

Post-Mortem on NIE 27.1-58:

The Outlook for Spain,

dated 20 May 1958

Apart from some shortage of materials pertaining to the political sympathies of leading military officers, no serious deficiencies were encountered in the collection or assembling of intelligence for this estimate. Some difficulties arose over the interpretation of occasionally conflicting economic data submitted from various sources.
